## **Requirements for a "ONE YEAR BUSINESS VISA"**

In addition to the requirements for a visa for only one journey, the following documents have to be presented:

- One business letter from the South African company stating that applicant will always have sufficient funds and a valid international health insurance *on each one of the future trips* during the upcoming year.
- Business letter from the German company confirming the necessity of frequent visits for business purposes during the year.
- Declaration form (available at this office) regarding health insurance, signed by the applicant.

Please note that proof of sufficient funds *for the first trip* is required as well. A "one year business visa" does not entitle the holder to take up any employment in the Schengen States, but is only valid for business purposes such as meetings, negotiations, viewing of goods, visiting of trade fairs etc.

The price for a "one year business visa" is 50,- EURO in Rands at the current exchange rate, to be paid in advance in cash.
